SUN-FIELD SEED SERVICE

1929 West 43rd Street

Chicago, Illinois

"If just Selling Seeds was the sole reason for our existence we could be less persistant in our efforts at begging you to urge your Farmer Friends to BUY EARLY.

SERVICE as a part of our name means for us more than a mere word. Ii is to us a Symbol of Endeavor toward constructive help for all those we contact; be it Salesman, Patron or Prospect. That is why we feel it our obligation and the Duty of every and every one of the Sellers of Our Seeds to continue to be persistant in our combined efforts to persuade Farmers of your community to BUY SEEDS SOON.

Quotations on Seeds which may seem to be far too high today may look very low real soon. This condition has ruled ever since last summer and there is no indication whatever of a let-up. So the Farmer who puts off buying Seeds, punishes himself most thru increasing the cost of farming.

To those few Salesmen who have not induced your friends to order their Seeds; we again say - "YOU CAN PERFORM NO GREATER SERVICE FOR YOUR COMMUNITY THAN GETTING YOUR FARMER FRIENDS TO ORDER FARM SEEDS WITHOUT DELAY"
